Dear Mrs. Brown!-

Will you let me know as quickly as possible how many or about how many women voted in Cincinnati at the last school election, and in how many wards they voted? By the last part of my question I mean to ask whether each ward elects every year, or whether the women of the 1st Ward, for instance, would have a vote one year, and those of the 2nd Ward the next? I shall greatly appreciate an early reply.

Yours most truly,

Harriet Taylor Upton
